# 中考英语完形填空：和朋友爬山

## 完形填空原文

On October 4th, my friends and I decided to climb Green Mountain. It was a sunny day, perfect for outdoor ***1***.

We met at the bus stop at seven in the morning and took a bus to the foot of the mountain. Looking up, the mountain seemed very ***2***. I wondered if I could make it to the top. But my friend Wang Lei patted me on the shoulder and said, "Don't worry. We'll do it together."

The first part of the path was wide and easy. We walked and chatted happily. The trees along the way were turning yellow and red. Autumn ***3*** were everywhere, making the mountain look like a colorful painting.

As we climbed higher, the path became steeper and ***4***. I started to feel tired. My legs were heavy and I was breathing hard. Some of my friends slowed down too. But Wang Lei kept encouraging us. "Just one more step at a time," he said. His words gave me ***5***.

After about two hours, we finally reached the top. The view was amazing! We could see the whole city below us. The buildings looked tiny, and the river looked like a silver ribbon. We all ***6*** with joy and took photos to remember this moment.

We sat on some rocks and shared the food we had brought — bread, fruit, and water. Everything tasted ***7*** than usual, maybe because we had worked so hard to get there. We laughed, joked, and enjoyed the fresh mountain air.

On the way down, I ***8*** slipped on some wet rocks. Luckily, Wang Lei caught my arm just in time. "Be careful," he said. I was grateful to have such a good friend. True friends are those who stay by your side when things get ***9***.

We arrived at the bottom of the mountain at around three o'clock. Although we were all exhausted, we felt proud of ourselves. This trip taught me that no matter how difficult the ***10*** is, as long as you don't give up and have good friends beside you, you can reach the top.
