中考英语完形填空：学做水果沙拉

完形填空原文

On Sunday morning, my mother taught me how to make fruit salad. It was the first time I had ever *1* in the kitchen. I felt both excited and a little *2*.

First, we went to the supermarket to buy some fresh fruit. We chose apples, bananas, oranges and grapes. Mother said we could add other fruits *3* we liked. When we got home, I washed all the fruit *4*. Then I learned to cut them into small pieces. I had to be careful with the knife. My mother watched me and said, "Take your time. There's no need to *5*."

After cutting, I put all the fruit pieces into a big *6*. Mother showed me how to add some yogurt and a little honey. She said yogurt could make the salad taste *7* and healthier. I mixed everything together with a spoon. The colors of the fruit looked so beautiful — red, yellow, green and purple. I couldn't *8* to taste it.

When we sat down to eat, my father said the salad was delicious. I was very *9*. Making fruit salad is not difficult. If you want to try, just follow these simple *10*. I'm sure you will enjoy it too!
