中考英语完形填空：雨天放学路上帮助陌生人

完形填空原文

It was a rainy afternoon. School was over and I was walking home with my umbrella. The rain was getting *1*, so I walked faster. Then I saw an old woman standing under a tree near the bus stop. She was wet and looked *2*. She had no umbrella with her.

I walked over and asked, "Are you OK? Do you need help?" She said her umbrella was broken and she couldn't *3* a taxi in the rain. "My home is not far. Would you like to share my umbrella?" I asked. She smiled and said *4*, "Thank you, young lady. You are very kind."

We walked together slowly. I held the umbrella high so that we *5* could stay dry. The old woman told me she was going to visit her daughter. She said her daughter lived in a building *6* the end of this street. I felt happy to help her.

When we reached her daughter's building, she thanked me again. "You *7* my day," she said. "Not many young people would stop to help a stranger in the rain." I said it was nothing and *8* her good luck. Then I continued my way home.

That day I learned something important. A small act of kindness can *9* a big difference to someone's day. I didn't do anything special, but the old woman's smile made me feel warm inside. From then on, I have tried to help others whenever I *10*.
