中考英语完形填空：学做创意书签

完形填空原文

Reading is one of my favorite hobbies. I have many books, but I often lose my place because I don't have enough bookmarks. So last weekend, I decided to ***1*** my own creative bookmarks.

I found some colored cardboard, scissors, markers, and stickers at home. I also watched a short ***2*** online to get some ideas. The video showed many beautiful bookmarks in different shapes.

First, I cut a piece of yellow cardboard into a long rectangle. Then I drew a smiling sun at the top. I used orange and red markers to color it. It looked very ***3***. I wrote my favorite quote on the bookmark: "Every day is a new beginning."

For the second bookmark, I wanted to try something ***4***. I cut the cardboard into the shape of a cat. I drew two big eyes and a small nose. Then I added some whiskers with a thin black pen. This one was my favorite because it was so ***5***.

I made five bookmarks in total. Each one had a different ***6*** and a different color. I gave two of them to my best friend, and she was very surprised. She said they were even more beautiful than the ones in the ***7***.

My mother saw my bookmarks and ***8*** me. She said that making things with our own hands is a meaningful activity. It not only helps us be creative but also gives us a sense of ***9***.

Now I use my handmade bookmarks every day. They make reading even more ***10***. I plan to make more for my classmates as birthday gifts.
