11-08 第1篇

中考英语完形填空：周末去博物馆看恐龙展

完形填空原文

Last Saturday, my father took me to the Natural History Museum to see a dinosaur exhibition. I had been looking ***1*** to this trip for a long time because I am a big fan of dinosaurs.

When we entered the exhibition hall, I was immediately ***2*** by the huge skeleton of a Tyrannosaurus Rex. It was about twelve meters long and five meters tall. I couldn't believe that such giant creatures once ***3*** on Earth.

There were many other dinosaur models as well. Some were plant-eaters with long necks, and others were small but ***4*** hunters. Each model had a sign that explained the dinosaur's name, size, and eating habits. I read every sign ***5*** and took lots of notes.

One area had an interactive screen where visitors could see what dinosaurs might have looked like when they were ***6***. I touched the screen and watched a Triceratops walk through a forest. It felt like I was traveling back in ***7***!

My favorite part was the fossil digging experience. We used small brushes to carefully uncover ***8*** dinosaur bones hidden in sand. I found a small fossil and the guide said I could take a photo with it. I was thrilled!

Before we left, I bought a small dinosaur model from the gift shop. My father said this visit was a great way to learn about ***9***. He was right. I learned so much more here than from books alone.

I hope to visit more museums in the future. They are like windows that ***10*** us to see the wonderful world beyond our daily lives.
