中考英语完形填空：和同学策划主题班会

完形填空原文

Our class was going to hold a theme class meeting about "Thanksgiving". The head teacher asked several of us to ***1*** it together. I was excited because I had never organized such an activity before.

We had our first meeting last Monday. Five students sat around a table and shared ***2***. Someone suggested we could invite our parents to watch. Another thought we should make a short play. We wrote down all ideas and then voted. ***3***, we decided to have three parts: a speech, a group dance, and a thank-you card making session.

I was in charge of the speech. I needed to write something that could express our ***4*** to teachers and parents. I spent two evenings on it. When I read it to my group, they said it was moving. Lin Mei would lead the dance. She chose a song ***5*** "Grateful Heart". We practiced after school every day. Sometimes we argued about the steps, but we always found a way to ***6*** in the end.

On the day of the class meeting, everything went ***7***. Parents came and sat at the back. When we showed our thank-you cards, many parents had tears in their eyes. Our head teacher said we had done a wonderful job. This experience taught me that teamwork can make difficult tasks much ***8***. I also learned to appreciate the people around me more. I am already looking ***9*** to our next theme class meeting. I wonder what topic we will ***10*** next time.
