中考英语完形填空：班级评选月度之星

完形填空原文

Every month, our class holds a "Star of the Month" selection. Students vote for the classmate who has improved the most or helped others the best. This month, I was ***1*** to be chosen. I couldn't believe it when our headteacher announced my name.

Last month, I had helped organize the class library. I spent several afternoons sorting books and making a simple catalog. I also helped two classmates with their English homework when they asked. I didn't do these things to win any ___2___—I just wanted to be useful. So when I was selected, I felt surprised and honored.

On the day of the award, our headteacher gave me a certificate and a small gift. She said that small acts of kindness could make a big difference. My classmates clapped and some came to congratulate me. I said thank you to ***3*** and promised to keep doing my best.

This experience made me realize that our efforts are ***4*** by others. When we help without expecting anything in return, we often receive more than we give. I will continue to contribute to our class in my own way. Being the Star of the Month is not just an honor—it is also a ***5*** to do better. I hope more students will work hard and have the ***6*** to be recognized one day. The certificate will ***7*** on my bedroom wall as a reminder. Kindness and hard work always ***8*** in the end. I am ***9*** to my classmates for their support. Let's all try to be the best ***10*** of ourselves.
