12-12 第1篇

中考英语完形填空：和同学一起拍摄班级纪录片

完形填空原文

Last month, our class decided to make a short documentary about our school life. We wanted to *1* our wonderful moments together before graduation. Li Ming, our monitor, was chosen to be the director, and I became one of the *2*.

We spent a week planning the script. Everyone gave their *3* and we finally agreed on the main idea. On the first day of shooting, we got up early and arrived at school before 7 o'clock. The *4* was perfect—the morning sunlight made the campus look beautiful.

However, we faced many *5*. The camera battery ran out in the middle of an important scene. Some students forgot their lines and we had to *6* again and again. But nobody gave up. We helped each other and tried our *7* to make everything work.

After a whole week of hard work, we *8* finished the documentary. When we watched it together in the classroom, we all felt proud. Our headteacher said it was one of the best class projects she had ever *9*.

This experience taught me that teamwork is very *10*. With everyone's effort, we can achieve great things together. I will always remember this special gift we made for our class.
