12-16 第2篇

中考英语完形填空：学做巧克力松露

完形填空原文

Last weekend, my mom and I learned to make chocolate truffles at home. It was much *1* than I thought! We only needed a few simple ingredients: dark chocolate, cream, butter, and cocoa powder.

First, we cut the chocolate into small pieces and put them in a bowl. Then we heated the cream in a pot until it was warm. We poured the warm cream over the chocolate and waited for it to *2*. After that, we added a little butter and mixed everything together until it became smooth.

The next step was the most fun part. We had to put the mixture in the fridge for about two hours to make it *3*. When it was ready, we used a spoon to make small balls. Our hands got a bit *4*, but we didn't mind. We rolled each ball in cocoa powder to give it a nice coating.

My mom said that chocolate truffles were first *5* in France many years ago. I thought it was interesting to learn about the history while cooking. We made about twenty truffles and put them in a beautiful box. I *6* some to my best friend as a gift.

Making chocolate truffles taught me that cooking can be both creative and *7*. I feel proud when I make something with my own hands. Maybe next time I will try to *8* different flavors, like vanilla or coffee. Who knows? I might become a great chef one day! I will *9* share what I make with my family and friends. They always *10* my cooking with a smile.
