中考英语完形填空：学做苹果派

完形填空原文

Last Saturday, my mother suggested we make an apple pie together. I was happy to ***1*** because I had always wanted to learn how to bake.

First, we needed to prepare the ***2***. Mother washed and peeled four apples, then cut them into small pieces. I helped mix them with sugar and cinnamon. The mixture ***3*** so sweet and warm!

Next, we made the pastry. Mother showed me how to mix flour, butter and water. "You need to work ***4***," she said. "The dough should be soft but not sticky." I tried my best and we got a smooth dough. Then we rolled it out and put it into a round pan.

We poured the apple filling into the pastry and ***5*** another piece of dough on top. Mother taught me to cut a few small ***6*** in the top so the steam could escape. Before putting it into the oven, we brushed the surface with egg to make it look ***7***.

About forty minutes later, the kitchen was filled with a wonderful ***8***. The apple pie was golden and ready! I couldn't wait to taste it. When I took the first bite, it was even ***9*** than I had imagined. "Practice makes perfect," Mother said with a smile. "Next time you can try to make it ***10***."
