参考范文

May 4th is China's Youth Day, a day that reminds us to think about the meaning of being young.

To me, youth means courage. It is the courage to dream big, to step out of our comfort zone, and to keep going even when things get tough. Youth is not about being perfect — it is about being brave enough to try.

Last year, I signed up for the school English debate competition. Honestly, I almost gave up during the preparation because I was afraid of making mistakes in front of everyone. But my teammates encouraged me, and together we practiced day and night. In the end, we won the second prize. Standing on stage, holding the certificate, I felt prouder than ever — not because we won, but because we had the courage to try.

I believe the best way to spend our youth is to keep exploring. Read a book that challenges your thinking. Learn a skill you've never tried. Talk to someone whose story inspires you. Youth is short, but its impact can last a lifetime.

Let's make every moment of our youth shine.

全文翻译

五月四日是中国青年节，这一天提醒着我们去思考年轻的意义。

对我来说，青春意味着勇气。是敢于梦想的勇气，是走出舒适区的勇气，是即使遇到困难也继续前进的勇气。青春不在于完美——而在于勇敢地去尝试。

去年，我报名参加了学校的英语辩论赛。说实话，我在准备阶段差点放弃了，因为我害怕在大家面前犯错。但队友们鼓励了我，我们一起日夜练习。最终，我们获得了二等奖。站在舞台上，手握奖状，我感到前所未有的自豪——不是因为我们赢了，而是因为我们有勇气去尝试。

我相信度过青春最好的方式就是不断探索。读一本挑战你思维的书，学一项你从未试过的技能，和一个故事能激励你的人聊一聊。青春很短暂，但它的影响可以持续一生。

让我们的青春每一刻都闪闪发光吧。

- 结尾可以用 **`Years from now, when we look back, let's make sure we can say: "I'm glad I tried."`** 用未来回望的视角给出号召。
