- **时态：** 一般过去时 + 一般现在时
- **格式：** 短文

2. 结构安排

开头段	引出话题 + 失败经历	2—3 句
正文段	感受 + 怎么做的	5—6 句
结尾段	学到了什么	2—3 句

3. 表达准备

要点一：一次失败

- 中文想法：去年学校歌唱比赛，我满怀信心地报了名，但比赛当天因为太紧张，唱到一半忘了歌词，最后没有获奖
- 英文表达：`Last year, I confidently signed up for the school singing contest. But on the day of the competition, I was so nervous that I forgot the lyrics halfway through. I didn't win any prize.`

要点二：感受和行动

- 中文想法：我当时非常难过和尴尬，甚至想以后再也不参加比赛了。但冷静下来之后，我决定找出原因、加强练习。我每天在家对着镜子练习，还请音乐老师帮我纠正
- 英文表达：`I felt embarrassed and heartbroken. I even wanted to give up singing forever. But after calming down, I decided to find the reason and practice harder. I practiced in front of a mirror every day and asked my music teacher for help.`

要点三：学到了什么

- 中文想法：今年比赛我获得了二等奖。这次经历告诉我，失败不是终点，而是成长的起点
- 英文表达：`This year, I won the second prize. This experience taught me that failure is not the end — it's the starting point of growth.`

4. 可加分的亮点

- 用 **`so nervous that...`** 因果句型
- 用 **`give up...forever`** 表达内心挣扎
- 用 **`after calming down`** 过渡转折
- 用 **`failure is not the end — it's the starting point of growth`** 金句

参考范文

Everyone loves success, but I've learned that failure can be an even greater teacher.

Last spring, our school held a singing contest. I loved singing, so I signed up without thinking twice. I practiced for weeks and felt ready. But the moment I stepped onto the stage, my heart raced. The bright lights, the silent audience, the microphone — everything felt overwhelming. When I opened my mouth, my voice shook. Halfway

through the song, my mind went completely blank. I stood there, unable to remember a single word. After what felt like the longest ten seconds of my life, I walked off the stage in tears.

I wanted to hide and never sing again. For days, I felt ashamed every time I thought about it. But then my best friend said something I'll never forget: "You didn't fail because you're bad at singing. You failed because you let fear take over. Try again."

Those words changed everything. I started practicing differently. Instead of just memorizing lyrics, I rehearsed on stage — in front of classmates, family, even my dog. I trained myself to stay calm under pressure. Six months later, I entered the same contest. This time, my voice was steady, my heart was calm, and I sang the whole song with a smile. I won the second prize.

Looking back, I'm actually grateful for that failure. It taught me that falling down is not what defines us — getting back up is.

全文翻译

每个人都喜欢成功，但我发现失败可以是一个更好的老师。

去年春天，学校举办了歌唱比赛。我热爱唱歌，所以不假思索地报了名。我练了好几周，觉得准备好了。但当我走上舞台的那一刻，心跳加速了。明亮的灯光、安静的观众、话筒——一切都让人感到压迫。我张开嘴时，声音在颤抖。唱到一半，脑子彻底一片空白。我站在那里，一个字都想不起来。在那感觉是人生中最漫长的十秒之后，我含泪走下了舞台。

我想躲起来，再也不唱歌了。好几天里，每次想起来都觉得丢脸。但后来我最好的朋友说了一句我永远忘不了的话："你不是因为唱得不好才失败的。你是因为让恐惧占了上风。再试一次吧。"

这些话改变了一切。我开始用不同的方式练习。我不再只是背歌词，而是在舞台上排练——在同学、家人，甚至我家狗面前。我训练自己在压力下保持冷静。六个月后，我参加了同一场比赛。这一次，我的声音稳定了，心也平静了，我微笑着唱完了整首歌。我获得了二等奖。

回头看，我其实很感谢那次失败。它教会了我：跌倒不能定义我们——站起来才能。

易错点提醒

1. **`so...that...` 因果结构：** so 后接形容词/副词
   - ✅ I was so nervous that I forgot the lyrics.
   - ❌ I was so nervous that I forget the lyrics.（主句过去时，that 从句也要过去时）
2. **`halfway through`：** 表示"进行到一半"
   - ✅ Halfway through the song, I forgot the lyrics.
   - ❌ Half way through the song...（halfway 是一个词）

3. **`instead of doing`：** 表示"不是做……而是做……"
    - ✅ Instead of just memorizing lyrics, I rehearsed on stage.
    - ❌ Instead of just memorize lyrics...
4. **`be grateful for`：** 对……感激
    - ✅ I'm grateful for that failure.
    - ❌ I'm grateful of that failure.（用 for 不用 of）
5. **`define` 表示"定义"：** 动词用法
    - ✅ Falling down is not what defines us.
    - ❌ Falling down is not what define us.（主语 what 作单数）

升格建议

- 开头可以用一个**名言**引入。比如 `Thomas Edison once said, "I have not failed. I've just found 10,000 ways that won't work." I used to think failure was the end of the world — until I experienced it myself`。
- 正文可以加入**更多感官细节**。比如 `I could hear my heartbeat pounding in my ears. My palms were slippery with sweat, and the microphone felt like it weighed a ton`。
- 结尾可以用 **`Failure is not a wall that blocks your path. It's a door that opens to a stronger version of yourself`** 做比喻收束。
