参考范文

Dear Mike,

Thanks for your email! You asked about my family, so let me introduce them — they're quite a team!

My dad is an engineer, but at home he's our comedian. He has a joke for every situation — even at 7 a.m. when nobody's awake enough to laugh. He also loves fishing, though he rarely catches anything. We tease him about it all the time.

My mum is a primary school teacher and the heart of our family. She's patient, warm, and makes the best dumplings in the world — at least, that's what we all believe. She

keeps a small balcony garden and talks to her plants as if they were students.

My little brother is seven and thinks he's a superhero. He wears a cape made from a towel and "flies" through the house. He's loud and messy, but his laugh can light up the darkest day.

Our favorite family time is Sunday Movie Night. We squeeze onto the sofa, fight over the remote, share a big bowl of popcorn, and argue about which movie to watch. It's chaotic — but it's perfect.

My family isn't perfect, but it's perfectly mine. I wouldn't trade them for anything.

Yours, Li Hua

全文翻译

亲爱的 Mike：

谢谢你的邮件！你问到了我的家人，让我来介绍一下——他们可是一个团队！

我爸爸 是工程师，但在家他是我们的喜剧演员。他什么场合都有笑话——即使早上七点大家还没清醒到能笑。他还爱钓鱼，虽然很少钓到什么。我们总拿这个调侃他。

我妈妈 是小学老师，也是我们家的核心。她耐心、温暖，而且包的饺子全世界最好吃——至少我们全家都这么认为。她在阳台上种了一个小花园，还跟花花草草说话，好像它们是她的学生一样。

我弟弟 七岁，觉得自己是超级英雄。他披着用毛巾做的斗篷在家里"飞来飞去"。他很吵很乱，但他的笑声能照亮最暗的一天。

我们最爱的家庭时光 是周日电影之夜。我们挤在沙发上，抢遥控器，分享一大碗爆米花，争论看什么电影。很混乱——但很完美。

我的家庭不完美，但完美地属于我。我不会拿他们换任何东西。

你的朋友， 李华

好词好句

表达	含义	可迁移场景
`the heart of our family`	我们家的核心	描写家人角色
`as if they were students`	好像它们是学生一样	虚拟语气 + 幽默
`his laugh can light up the darkest day`	他的笑能照亮最暗的天	描写开朗性格
`it's chaotic — but it's perfect`	混乱但完美	家庭、生活类
`I wouldn't trade them for anything`	我不会拿他们换任何东西	珍惜类

易错点提醒

1. **`there are + 数字 + people in my family`：**
   - ✅ There are four people in my family.
   - ❌ There have four people in my family.（用 there are，不是 there have）
2. **`as if + 虚拟语气`：**
   - ✅ She talks to plants as if they were students.（虚拟用 were）
   - ❌ She talks to plants as if they are students.（口语可以，但书面用 were 更好）
3. **`made from` 和 `made of` 的用法：**
   - ✅ a cape made from a towel（由毛巾做成）
   - made from 强调加工变化

4. **`trade...for...`**：
    - ✅ I wouldn't trade them for anything.
    - ❌ I wouldn't trade them with anything.（用 for，不用 with）
5. **`squeeze onto` 表示"挤到……上"**：
    - ✅ We squeeze onto the sofa.
    - ❌ We squeeze on the sofa.（squeeze onto 更准确表示"挤上去"）

升格建议

- 开头可以用一个**类比**引入。比如 `If my family were a band, Dad would be the drummer (always making noise), Mum would be the lead singer (she runs the show), and my brother would be the one who accidentally breaks the guitar。`
- 正文可以加入**一段温馨的对话**。比如 `"Who ate the last dumpling?" Mum asked. Silence. Then my brother grinned with sauce all over his face. That's my family in one scene。`
- 结尾可以用**一句话**总结精髓。比如 `People say you can't choose your family. I say: even if I could, I'd choose the same loud, messy, wonderful four every single time。`
