参考范文（约150–200词英文范文）

Our school newspaper is collecting articles on "My Role Model." I'm Li Hua and I'd like to share mine.

The person I admire most is Yuan Longping, known as the "Father of Hybrid Rice." He devoted his whole life to rice research and made it possible for China to feed its huge population. His hybrid rice technology has also been introduced to many other countries, helping millions of people around the world.

What I admire most about him is his spirit. Even in his old age, he still went to the rice fields every day to check on his crops. He lived a simple life and cared more about feeding people than becoming rich or famous. When asked about his dream, he once said he wished for rice as tall as a person — a dream born not from selfishness, but from love.

Yuan Longping has taught me that true greatness comes from dedication and kindness, not wealth or status. He inspires me to study hard and do something meaningful for others. He will always be my hero.

全文翻译

我们校报正在征集"我的偶像"主题文章。我是李华，想分享我的偶像。

我最敬佩的人是袁隆平，被誉为"杂交水稻之父"。他把一生都献给了水稻研究，使中国能够养活庞大的人口。他的杂交水稻技术还被推广到许多其他国家，帮助了全世界数百万人。

我最敬佩他的是他的精神。即使年事已高，他仍然每天去稻田检查作物。他过着朴素的生活，比起名利，他更关心如何让人们吃饱。当被问及梦想时，他曾说希望水稻能长得像人一样高——这个梦想不是出于私心，而是出于爱。

袁隆平让我明白，真正的伟大来自奉献和善良，而非财富或地位。他激励我努力学习，为他人做有意义的事。他永远是我心中的英雄。
