- 英文表达：`The teacher who has influenced me the most is my English teacher, Ms Wang. She always wears a warm smile and makes her classes lively and fun.`

要点二：印象深刻的事

参考范文（约150–200词英文范文）

With Teachers' Day coming, I want to say thank you to someone very special — my English teacher, Ms Wang.

Ms Wang has been my teacher for three years. She is patient, warm-hearted, and full of energy. Her classes are never boring — she uses songs, games, and stories to bring English to life. But what I remember most is not her teaching skills; it's how she saved me when I almost gave up.

In Grade 8, I failed an English test badly — only 50 out of 100. I was so ashamed that I wanted to hide. But after class, Ms Wang called me to her office. She didn't say a single harsh word. Instead, she sat beside me, went through every mistake with me, and said, "You're not stupid — you just need the right method." From that day on, she tutored me for half an hour after school every day. By the end of the term, I scored 85, and for the first time, I felt proud of myself.

Ms Wang, thank you for believing in me when I didn't believe in myself. You didn't just teach me English — you taught me never to give up.

全文翻译

教师节即将来临，我想对一个非常特别的人说声谢谢——我的英语老师，王老师。

王老师教了我三年。她耐心、热心，充满活力。她的课从不无聊——她用歌曲、游戏和故事让英语活了起来。但我记忆最深的不是她的教学技巧，而是她在我几乎放弃时拯救了我。

初二时，我英语考试考砸了——满分一百只考了五十分。我羞愧到想躲起来。但下课后，王老师把我叫到了办公室。她没有说一句严厉的话。相反，她坐在我旁边，和我一起分析每个错误，然后说："你不笨——你只是需要正确的方法。"从那天起，她每天放学后辅导我半小时。到学期末，我考了八十五分，第一次为自己感到骄傲。

王老师，谢谢您在我不相信自己的时候相信我。您不仅教会了我英语——更教会了我永不放弃。

易错点提醒（5个，有✅❌对比）

1. **`influence` 的用法：**
   - ✅ The teacher who has influenced me the most...（现在完成时，持续影响至今）
   - ❌ The teacher who influenced me the most...（如果强调持续影响，应用现在完成时）
2. **`spend + 时间 + doing` 再次强调：**
   - ✅ She spent half an hour tutoring me.
   - ❌ She spent half an hour to tutor me.（spend...doing）
3. **`score` 的用法：**
   - ✅ I scored 85 on the test. / I got 85 on the test.

- ❌ I scored 85 marks on the test.（score 本身就含"得分"之意，不需加 marks）

4. **ashamed 与 shy 的区别：**
   - ✅ I was ashamed of my grade.（为成绩感到羞愧——因做错事）
   - ✅ I was shy in front of strangers.（在陌生人面前害羞——性格）
   - ❌ 完全等同使用（ashamed 有过失感，shy 是性格特征）

5. **thank sb for doing sth 的结构：**
   - ✅ Thank you for believing in me.
   - ❌ Thank you to believe in me.（thank sb for doing）

升格建议（3条带例句）

- 开头可用**回忆式引入**。如：Three years ago, I walked into her classroom as a shy, struggling student who hated English. Today, I walk out with confidence and a love for the language. The person who made this change possible is Ms Wang, 形成鲜明对比。
- 正文可加入**老师的具体话语**。如：One day, she handed me a notebook and said, "Write down three new words every day. In one year, you'll have over a thousand." I thought she was joking — but she wasn't, and neither was the result, 引用对话增添真实感。
- 结尾可**用比喻升华**。如：A teacher is like a lighthouse — she doesn't walk with you, but her light guides you through the darkest storms. Ms Wang has been my lighthouse, and her light will stay with me forever, 比喻深情。
