An Unforgettable Experience: Learning to Cook

One of my most unforgettable experiences was the first time I learned to cook. It happened last summer when my parents were busy with work. I wanted to help them, so I decided to make fried rice for dinner.

At first, I thought it would be easy. I put oil in the pan and turned on the fire. But when I added the rice, the oil was too hot and it splashed all over the stove. I was scared and almost gave up. My mother encouraged me to try again. She taught me to control the heat and add ingredients step by step. I tried again and again. The second time, I forgot to add salt. The third time, the rice was burnt. But I didn't stop. Finally, after several attempts, I made a plate of delicious fried rice. My parents praised me and said it tasted great!

This experience taught me that practice makes perfect. Nothing is easy at first, but if we keep trying, we will succeed. I also learned to be more careful and patient. Now I often help cook at home, and I feel proud of myself. This unforgettable experience will stay in my heart forever.

全文翻译

一次难忘的经历：学做饭

我难忘的经历之一就是第一次学做饭。那是去年夏天，父母工作繁忙。我想帮助他们，于是决定做炒饭当晚餐。

起初，我以为很简单。我在锅里倒了油，开了火。但当我加入米饭时，油太热了，溅得炉灶到处都是。我很害怕，差点放弃。妈妈鼓励我再试一次。她教我控制火候，一步步加入配料。我一遍遍地尝试。第二次，我忘了放盐。第三次，饭烧糊了。但我没有放弃。终于，在几次尝试之后，我做出了一盘美味的炒饭。父母夸我，说味道很好！

这次经历教会我熟能生巧。万事开头难，但只要我们坚持尝试，就会成功。我也学会了更细心、更耐心。现在我经常在家帮忙做饭，为自己感到骄傲。这次难忘的经历将永远留在我的心中。
