参考范文

Thank You, Mr. Li

Teachers' Day is coming. Among all my teachers, Mr. Li, my math teacher, is the one I want to thank most.

When I was in Grade 7, I was very weak in math. I always failed the exams, and I almost lost confidence in myself. Mr. Li noticed my problem and offered to tutor me after school every day. He explained every difficult point patiently until I understood. Sometimes he even gave up his lunch break to help me. Thanks to his effort, my math grades improved greatly, and I finally passed the final exam with a score I had never imagined.

Mr. Li, I want to say "thank you" from the bottom of my heart. You taught me not only math but also the power of never giving up. Without your help, I wouldn't be who I am today. Happy Teachers' Day!

全文翻译

谢谢您，李老师

教师节就要到了。在所有老师中，数学老师李老师是我最想感谢的人。

七年级时，我数学很差，考试总是不及格，几乎对自己失去了信心。李老师注意到了我的问题，主动提出每天放学后给我补课。他耐心地讲解每一个难点，直到我弄懂为止。有时候他甚至放弃午休来帮助我。多亏了他的付出，我的数学成绩大幅提高，期末考试的分数超出了我的想象。

李老师，我想发自内心地说声"谢谢您"。您不仅教会了我数学，还教会了我永不放弃的力量。没有您的帮助，就没有今天的我。教师节快乐！
