My Motherland in My Eyes

As National Day approaches, my heart is filled with pride and love for my motherland — China. With a history of over 5,000 years, China has always been a land of great culture, breathtaking landscapes, and hardworking people.

In recent years, I've seen amazing changes happening around me. Our city now has a high-speed railway station, and it only takes two hours to reach the provincial capital, which used to take five. Mobile payment has made our lives incredibly convenient — even my grandparents use their phones to buy vegetables at the market! New parks and libraries have been built in our neighborhood, making our city greener and more livable.

This National Day, I plan to watch the flag-raising ceremony on TV with my family early in the morning. It always gives me goosebumps to see our national flag rising slowly against the blue sky.

I'm proud to be Chinese. I believe our country will become even stronger and more beautiful in the future. Happy National Day, China! I love you!

全文翻译

我眼中的祖国

国庆节即将来临，我的心中充满了对祖国——中国的骄傲和热爱。拥有五千多年的历史，中国一直是一片文化灿烂、山河壮丽、人民勤劳的土地。

近年来，我看到身边发生了令人惊叹的变化。我们城市现在有了高铁站，到省会只需两小时，以前要五个小时。移动支付让我们的生活变得无比方便——连我的爷爷奶奶都用手机在菜市场买菜了！我们社区新建了公园和图书馆，让城市变得更绿、更宜居。

这个国庆节，我打算一大早和家人一起看电视上的升旗仪式。每当看到国旗在蓝天下缓缓升起，我都会激动得起鸡皮疙瘩。

我为自己是中国人而骄傲。我相信我们的祖国未来会更加强大和美丽。国庆节快乐，中国！我爱你！
