参考范文

My Favorite Season

When it comes to my favorite season, autumn wins without doubt. It's neither too hot nor too cold — the air is crisp, the sky is clear, and nature seems to put on its most beautiful dress before winter arrives.

What I love most about autumn is the changing colors. Leaves turn from green to golden yellow and deep red, as if the whole world is painted in warm colors. In my city, there's a park famous for its maple trees. Every weekend, I go there to take a walk, collect fallen leaves for my scrapbook, and sometimes climb the small hills to see the sunset. The smell of ripe fruits from nearby orchards fills the air, and it always reminds me of the Mid-Autumn Festival — the time when my family gets together to enjoy mooncakes under the full moon.

Autumn makes me feel peaceful and hopeful. It teaches me that change can be beautiful — just like the leaves that fall to make room for new growth in spring. To me, autumn is not just a season; it's a gift from nature.

全文翻译

我最喜欢的季节

说到我最喜欢的季节，秋天当之无愧。它既不热也不冷——空气清爽，天空澄澈，大自然仿佛在冬天来临前穿上了最美的衣裳。

我最爱秋天的是那变幻的色彩。叶子从绿色变成金黄和深红，仿佛整个世界被涂上了暖色调。我所在的城市有一个以枫树闻名的公园。每个周末，我都会去那里散步，收集落叶做剪贴簿，有时还会爬上小山看日落。附近果园里成熟果实的香气弥漫在空气中，总是让我想起中秋节——那时我们一家人聚在一起，在满月下享用月饼。

秋天让我感到平静而充满希望。它教会我，变化也可以是美好的——就像落叶为春天的新生腾出空间一样。对我来说，秋天不仅仅是季节；它是自然的馈赠。
