参考范文

My Ideal School

I dream of a school that is both beautiful and inspiring. In my ideal school, the campus would be full of green trees and flowers, with a large library and modern labs. Not only would we have basic subjects like Chinese and math, but we would also enjoy various courses such as art, music, and programming. Besides, there would be many clubs and sports activities after class, so we could develop our interests and stay healthy.

Compared with my current school, my ideal school would have smaller classes so that each student could get more attention from teachers. We would have more practical lessons and field trips instead of sitting in the classroom all day. What's more, we would have less homework and more time to read, think, and explore.

That's why I hope for such a school. I believe it would help us develop in an all-round way and make learning more enjoyable. I am sure we could discover and develop our interests there, and grow into confident and creative people.

全文翻译

我理想中的学校

我梦想中的学校既美丽又能激发灵感。在我理想中的学校里，校园里绿树成荫、鲜花盛开，有宽敞的图书馆和现代化的实验室。我们不仅有语文、数学等基础学科，还有艺术、音乐、编程等各种课程。此外，课后会有很多社团和体育活动，我们既能发展兴趣，又能保持健康。

与现在的学校相比，我理想中的学校班级规模更小，这样每个学生都能得到老师更多的关注。我们会参加更多实践课和实地考察，而不是整天坐在教室里。更重要的是，我们的作业会更少，有更多时间阅读、思考和探索。

这就是为什么我希望有这样的学校。我相信它会帮助我们全面发展，让学习更加愉快。我确信我们在那里能发现和发展自己的兴趣，成长为自信而有创造力的人。
