参考范文

How I Have Changed

Two years ago, I used to be a shy and quiet boy. I was afraid to speak in front of the class. I always kept to myself and had few friends. I didn't believe in myself at all.

Everything changed after the English speech contest. My teacher encouraged me to take part in it. At first I was nervous, but I practised hard every day. When I stood on the stage and finished my speech, I heard the applause. At that moment, I felt something different inside me. I realized I could do it if I tried.

Now I am no longer that shy boy. I often share my ideas in class and have made many friends. I have become more confident and open. Change is possible—we just need the courage to take the first step.

全文翻译

我是如何改变的

两年前，我曾是个害羞安静的男孩。我不敢在班上发言，总是一个人待着，朋友很少。我一点也不相信自己。

英语演讲比赛后，一切发生了变化。老师鼓励我参加。起初我很紧张，但我每天努力练习。当我站在台上完成演讲时，我听到了掌声。那一刻，我感到内心有些不一样。我意识到，只要努力，我就能做到。

现在的我不再是那个害羞的男孩。我常在课上分享自己的想法，也交了很多朋友。我变得更自信、更开朗了。改变是可能的——我们只需要鼓起勇气迈出第一步。
