# 06-23 中考英语语法填空 练习二

主题：中考后的暑假 (Summer After the Exam)

## 一、题目

阅读下面短文，在空白处填入一个适当的单词，或填入括号中所给单词的正确形式。

When the final bell rings, summer begins like a long breath after running. At first, I slept until noon and watched movies without looking at the clock, enjoying the freedom I had dreamed (1) _____ for months. A week later, boredom knocked on the door, so I (2) _____ (make) a list of small goals: reading two novels, learning to cook two dishes, and volunteering at the community centre every Tuesday. My mother laughed and said a good holiday should feel (3) _____ (relax), not empty. I followed her advice and started jogging in the park (4) _____ sunrise; the cool air made my mind clear. I also visited my grandparents in the countryside, helped Grandpa water vegetables, and listened to stories about his youth. Those afternoons passed slowly, (5) _____ they left warm pictures in my memory. Before August ends, I want to preview a few high school topics so that I will feel (6) _____ (little) stressed in September. I know I still need time to play, (7) _____ I also want to enter the new term with confidence. Summer after the exam is a (8) _____ (price) gift—it thanks us for the effort we gave, and it asks us to rest, explore, and get ready. I am learning to balance fun and growth, and this lesson may be (9) _____ (good) than any single test score. No matter how hot the days are, I tell myself to stay patient, because every season brings its own homework for the heart. When I look back, I think I will remember not only the score on paper, (10) _____ the sunlight on the road home.

---

## 二、答案与解析

1. **答案：of**
   - **考点**：介词。`dream of` 为固定搭配；定语从句修饰 `freedom`，完整结构为 `freedom (that/which) I had dreamed of`。
2. **答案：made**
   - **考点**：动词时态。叙述考试后的暑假安排，用一般过去时；括号内 `make` 的过去式为 `made`。`make a list` 为固定搭配。
3. **答案：relaxing**

- **考点**：词性转换。feel 为系动词，后接形容词；描述假期“令人放松”，用 relaxing（relaxed 多描述人）。

4. **答案：before**
   - **考点**：介词。before sunrise 表示“在日出之前”，说明晨跑时间。
5. **答案：but**
   - **考点**：连词。下午“过得很慢”与“留下温暖画面”之间为转折关系，用 but。
6. **答案：less**
   - **考点**：形容词比较级。表示“压力更小”，little 的比较级为 less，修饰形容词 stressed。
7. **答案：yet**
   - **考点**：连词。表示“虽然还需要玩耍时间，然而也想自信迎接新学期”，用 yet 表转折，语气与 but 接近但更书面，也避免与后文 not only...but... 的 but 完全重复。
8. **答案：precious**
   - **考点**：词性转换。修饰名词 gift，用形容词；括号内 price 变为 precious，表示“珍贵的”。前面已有不定冠词 a。
9. **答案：better**
   - **考点**：形容词比较级。句中有 than，用 good 的比较级 better，表示“比任何一次分数更重要/更有意义”。
10. **答案：but**
    - **考点**：连词与固定结构。not only...but (also)... 表示“不仅……而且……”，与 not only 呼应用 but（also 可省略）。
