04-03 第2篇

阅读理解（说明文）

① "You are what you eat." This famous saying tells us that the food we eat has a huge effect on our health. Having a healthy diet (饮食) is one of the most important things we can do for our bodies.

② First, we should eat plenty of fruits and vegetables. They are full of vitamins (维生素) and minerals. These things can keep our skin beautiful and make our immune system (免疫系统) strong. For example, oranges give us Vitamin C, which helps us fight off a cold. It is a good idea to eat at least five different colors of fruits and vegetables every day.

③ Second, we need to choose whole grains (全谷物) over refined grains. Whole wheat bread, brown rice, and oats (燕麦) are much better than white bread or white rice. Whole grains give us more fiber (纤维). Fiber is very good for our stomachs and can keep us feeling full for a longer time, so we won't want to eat too many unhealthy snacks.

④ Third, drink enough water. Many people like drinking sweet drinks like cola or fruit juice. However, these drinks have too much sugar. Too much sugar can make us fat and cause bad teeth. Water is always the best choice. Our bodies need a lot of water to work properly.

⑤ Finally, don't forget to eat regular meals, especially breakfast. A healthy breakfast gives us the energy we need to start the day. By planning our meals well and choosing the right food, we can build a strong and healthy body.

注释： vitamin 维生素；immune system 免疫系统；grain 谷物；fiber 纤维

2. 【答案】D

【题型】 细节理解

【定位】 第②段第4句 "For example, oranges give us Vitamin C, which helps us fight off a cold."

【解析】 原文以橘子为例，说其中含有的维生素C能帮助我们抵御感冒（fight off a cold）。A、B项未提及；C项是纤维（fiber）的作用，见第③段。故选D。

3. 【答案】C

【题型】 细节理解判断

【定位】 第②、③段提及的健康食品和不健康食品。

4. 【答案】A

【题型】 词义猜测

【定位】 第③段第1–2句 "...choose whole grains (全谷物) over refined grains. Whole wheat bread, brown rice, and oats (燕麦) are much better than white bread or white rice."

【解析】 文中将“whole grains（全谷物）”与“refined grains”进行了对比，举出的例子中，全麦面包、糙米是对身体好的，而白面包、白米饭（经过加工提纯去掉了谷皮等部分）反之较

差。由此推断 refined 意为“精细加工过的”。A项意为“被加工以去除某些部分”，符合文意。B项（在黑暗中生长）、C项（昂贵）、D项（生鲜自然的）均不符合。故选A。
