阅读理解（应用文）

① **School Radio Station Needs Young Reporters!**

② Our school radio station is looking for student reporters. If you love writing, enjoy interviewing others, and want to share news with your classmates, this is a great chance for you! We broadcast every Monday and Thursday during the lunch break. The programs include school news, music, sports, and student stories.

③ **What we need:** You should be in Grade 7 or 8, have good English skills, and be able to work with others. You need to write short reports and sometimes interview teachers or students. No experience? No problem! We will teach you how to do it.

④ **How to apply:** Please write a short self-introduction (about 80 words) and tell us why you want to join. Send it to schoolradio@ourschool.com before June 30. We will invite some students for a short interview in early July. The results will be announced on our school website.

⑤ Join us and make your voice heard! For more information, visit Room 302 or ask Ms. Wang in the teachers' office.
