Summer Reading Check-in Activity — Rules and Guide

① To help students develop good reading habits during the summer holiday, our school will hold a reading check-in (打卡) activity from July 15th to August 25th. All students in Grades 7—9 are welcome to join. Read the rules below before you take part.

② **How to Join:** First, follow our school's official WeChat account. Then, send a photo of the book cover and the page you are reading each day. Write the date and the book title in your post. You must read for at least 30 minutes every day to count as one successful check-in.

③ **What to Read:** You may choose any book you like—storybooks, science books, history books, or magazines. The book should be suitable (适合) for your age. Comic books and picture books without much text do not count. You can read in Chinese or in English.

④ **Prizes and Certificates:** Students who complete 30 days of check-in will get a certificate (证书). Students who complete 40 days or more will get a small gift—a bookmark or a notebook. The top 10 readers with the most check-in days will be invited to share their reading experience at the opening ceremony in September.

⑤ **Important Notes:** Do not copy others' photos. The school will check your posts. If you break the rules, your check-in record will be cancelled. If you have any questions, please contact Ms. Chen at chen@school.edu before July 10th. Happy reading!
