07-24 第二篇

The Benefits of Practicing Calligraphy

In the age of smartphones and computers, handwriting seems to be disappearing. Yet the ancient art of calligraphy—beautiful writing with brush or pen—is still practiced by millions of people around the world. Why does this traditional skill remain so popular? [1] Calligraphy offers benefits that go far beyond simply writing pretty characters. From improving focus to connecting with culture, it has much to offer modern learners.

One of the most valued benefits is improved concentration. [2] When you practice calligraphy, you must pay close attention to every stroke. Your mind cannot wander because each movement requires precision. This kind of focused practice trains your brain to stay present. Many students find that regular calligraphy practice helps them focus better in class. Teachers and parents have noticed that children who practice calligraphy often show better attention spans. The slow, deliberate nature of the art builds mental discipline.

Calligraphy also enhances patience and self-control. [3] You cannot rush through a piece of calligraphy—each character takes time and care. Mistakes are common at first, and correcting them requires patience. Over time, practitioners learn to accept small setbacks and keep trying. This mindset transfers to other areas of life, such as studying and problem-solving. People who practice calligraphy often report feeling calmer and more in control of their emotions. It is a form of meditation that uses the hands.

The cultural value cannot be overlooked. [4] Calligraphy connects us to centuries of artistic and literary tradition. By learning different styles—whether Chinese, Arabic, or Western—we gain insight into different cultures. Calligraphy is often linked to poetry, philosophy, and history. Practicing it helps us appreciate the beauty of written language. In many societies, calligraphy is considered a high form of art that reflects the writer's character and spirit.

Whether you are a student seeking better focus or an adult looking for a relaxing hobby, calligraphy has something to offer. [5] It develops the mind, nurtures character, and preserves cultural heritage. You do not need expensive equipment to start—a simple brush or pen and paper are enough. Begin with a few basic strokes and enjoy the journey. The ancient art of beautiful writing is waiting to enrich your life in ways you might not expect.

选项

A. Its benefits extend well beyond mere aesthetics. B. It demands and cultivates sustained attention and mindfulness. C. It builds the ability to stay calm and persist

through difficulty. D. It serves as a bridge to artistic and cultural traditions. E. It combines mental growth, character development, and cultural value. F. For example, many famous poets were also skilled calligraphers.

答案键（Answer Key）

[1] A [2] B [3] C [4] D [5] E

深度解析

- **[1] A**：
  - **线索**：空前以问句引出书法为何仍受欢迎，空后总领"focus""culture"等多重益处，A项"其益处远不止于美观"承上启下，将传统技艺与当代价值衔接，避免读者误解为仅追求好看。
- **[2] B**：
  - **线索**：本段主题为"improved concentration"，空后强调每笔需关注、心神不能游离、训练专注、学生上课更集中等，B项"要求并培养持续的注意力与正念"准确概括段意。
- **[3] C**：
  - **线索**：本段讲"patience and self-control"，空后描述不能仓促、需耐心纠错、接受挫折、情绪更平稳等，C项"培养保持平静、在困难中坚持的能力"与段内论述一致。
- **[4] D**：
  - **线索**：本段围绕"cultural value"，空后提到传统、不同文化风格、与诗歌哲学历史关联、欣赏文字之美等，D项"充当连接艺术与文化传统的桥梁"概括文化维度。
- **[5] E**：
  - **线索**：结尾段总结并鼓励尝试，空前总述各类人群均可获益，空后"develops the mind, nurtures character, preserves cultural heritage"与E项"结合心智成长、品格培养与文化价值"完全对应。
- **干扰项分析**：
  - **F. For example, many famous poets were also skilled calligraphers.**：以 For example 开头，涉及书法与文化，但与 [4] 空后论述书法连接传统、文化、诗歌的层次不同，F 仅为人物举例，无法作为段首概括，为干扰项。
