12-24 第一篇

Comics and Graphic Novels: Art Meets Story

Comics and graphic novels combine images and text to tell stories in a unique way. Unlike traditional novels, they show action, emotion, and setting through panels and drawings. Readers follow the story frame by frame, and the space between panels—the "gutter"—lets the imagination fill in what happens in between. This blend of visual and verbal storytelling has attracted readers of all ages, from children enjoying superhero adventures to adults exploring serious themes. [1]

The format has grown beyond entertainment. Graphic novels now cover history, science, memoirs, and social issues. Art Spiegelman's Maus, for example, tells his father's Holocaust survival story through animals. Schools and libraries increasingly use graphic novels to engage reluctant readers and teach critical thinking—students must interpret both words and images to understand the full meaning. The medium's flexibility allows creators to experiment with layout, style, and pacing. [2]

Creating comics requires multiple skills. Artists must draw characters and settings, arrange panels for clear flow, write dialogue that fits each scene, and use color and shading to set mood. Lettering—how words appear in speech bubbles and captions—also matters. Many comics are collaborative: one person writes the script, another draws the art, and sometimes others handle colors or lettering. Each role contributes to the final product. [3]

Comics have a rich history across cultures. Japanese manga, American superhero comics, European bande dessinée, and webcomics each have their own traditions and audiences. Today, adaptations of comics into films and TV shows have brought these stories to even wider audiences. Yet the experience of reading a comic—turning pages at your own pace, lingering on a panel—remains unique. [4]

Whether you read for fun or for deeper themes, comics and graphic novels offer a powerful way to experience story. They prove that great narratives can be told without words alone—and sometimes, images say even more. [5]

选项

A. Comics and graphic novels offer a distinct form of storytelling that engages both the eye and the mind. B. In this way, the medium has earned respect as a serious art form capable of tackling complex subjects. C. For this reason, making comics is both an artistic and a technical challenge that rewards teamwork and creativity. D. This diversity reflects the global reach of the format and its ability to connect with different audiences. E. The power of comics lies in their ability to convey meaning through the interplay of

pictures and words. F. For example, the graphic novel Persepolis by Marjane Satrapi tells the story of growing up during the Iranian Revolution through black-and-white drawings.

答案键（Answer Key）

[1] A [2] B [3] C [4] D [5] E

深度解析

- **[1] A**：
  - **线索**：空前介绍漫画与图形小说以图文结合讲述故事、与传统小说不同、通过画面与图画表现动作情感场景、读者逐格跟随、gutters 留白激发想象、吸引各年龄读者，空后需总结这种独特叙事形式。A的"offer a distinct form of storytelling that engages both the eye and the mind"与前文呼应。
- **[2] B**：
  - **线索**：空前说形式已超越娱乐、图形小说涵盖历史科学回忆录社会议题、举 Maus 为例、学校图书馆用其吸引读者教批判思维、媒介灵活便于实验版式风格节奏，空后需总结媒介作为严肃艺术形式的地位。B的"In this way"承接前文，"earned respect as a serious art form capable of tackling complex subjects"与前文对应。
- **[3] C**：
  - **线索**：空前说创作漫画需多项技能、绘画角色与场景、排布分镜、撰写对白、色彩与明暗营造氛围、lettering 重要、常为合作、编剧绘画上色分列、每角色贡献成品，空后需总结创作的技艺与协作性。C的"For this reason"承接前文，"both an artistic and a technical challenge that rewards teamwork and creativity"与前文呼应。
- **[4] D**：
  - **线索**：空前说漫画有跨文化悠久历史、日本漫画美国超级英雄欧洲漫画网络漫画各有传统与受众、改编为影视扩大受众、但阅读漫画的体验仍独特，空后需总结形式的全球化与多元受众。D的"This diversity reflects the global reach of the format"与前文对应。
- **[5] E**：
  - **线索**：空前说无论为乐趣或 deeper themes、漫画与图形小说提供强大的故事体验、证明伟大叙事不必仅靠文字、有时图像说得更多，空后需总结图文结合的力量。E的"The power of comics lies in their ability to convey meaning through the interplay of pictures and words"与前文呼应。

- **干扰项分析**：
    - **F. For example, the graphic novel Persepolis...**：以For example开头，为具体作品案例。各空均为概括或过渡句；[2]易被误选因涉及具体作品，但该空需总结媒介作为严肃艺术形式的地位，而非补充某部作品的情节细节。
