阅读理解（记叙文）

The Unexpected Gift

① Last Friday was my twelfth birthday. My parents gave me a new bike, and my classmates came to sing and play games with me in the yard. I felt very happy that day. However, my best friend Lily could not come to my party because she was sick and had to stay in bed.

② The next morning, I visited Lily with some fruit from home. She looked pale but smiled when she opened the door. "I'm sorry I missed your party," she said in a low voice. I told her it was fine and that I only wanted her to get better soon. We talked for a while, and I helped her copy the English notes she had missed.

③ On Monday, Lily ran to me at school with a small box in her hands. "Open it," she said, her eyes shining. Inside, there was a handmade card and a photo of us from last year's sports day. On the card she had written, "True friends are never apart."

④ I was surprised and deeply moved. The gift did not cost much money, but I knew it carried her true feelings. That afternoon, we walked home together and shared stories about our weekend. I realized that friendship is not always shown by expensive presents. It is more about caring, remembering, and being there for each other.

⑤ From that day on, I learned to notice small acts of kindness. Whenever I see the card on my desk, I feel warm inside. Lily taught me that the best gifts sometimes arrive quietly, when we least expect them, and that a true friend is a gift in itself.

二、答案与解析

1.

【答案】 C

【题型】 细节理解

【定位】 第①段："However, my best friend Lily could not come to my party because she was sick and had to stay in bed."

【解析】 题干问莉莉为何没来参加生日聚会。原文明确说明她生病、需要卧床休息，故 C 正确。A 项“备考”、B 项“看望祖父母”、D 项“忘记时间”在文中均未提及，属于无中生有，应排除。

2.

【答案】 A

【题型】 细节理解

【定位】 第②段："The next morning, I visited Lily with some fruit from home." 以及 "I helped her copy the English notes she had missed."

【解析】 生日次日作者去看望莉莉并帮她抄写错过的英语笔记，与 A 项“看望莉莉并帮助功课”一致。B 项骑新车、C 项商店买礼物、D 项在家打扫院子均未在该段出现，故排除。

3.

【答案】 D

【题型】 推理判断

【定位】 第④段："I realized that friendship is not always shown by expensive presents. It is more about caring, remembering, and being there for each other."

【解析】 从第④段可推断，作者认为友谊重在关心、记挂与陪伴，而非礼物价格，D 项“关心与在场比价格更重要”符合推理。A 与作者观点相反；B 缩小为“仅需要坦诚沟通”，片面；C 把照片当作“最好礼物”，而文中强调心意与关系，故排除 A、B、C。

4.

【答案】 B

【题型】 词义猜测

【定位】 第④段："The gift did not cost much money, but I knew it carried her true feelings." 结合后文 "caring, remembering, and being there"。

【解析】 礼物不贵，却表达真心；下文强调关心与陪伴，故 "carried her true feelings" 指“体现她真挚的关心与爱”，B 正确。A 按字面解为“使情绪沉重”，不符；C“隐藏忧虑”、D“把书带到学校”均脱离语境，排除。

5.

【答案】 A

【题型】 写作意图

【定位】 全文，尤其第④段关于友谊的感悟与第⑤段 "learned to notice small acts of kindness" 与 "a true friend is a gift itself"。
