01–13 第2篇

阅读理解（应用文） Green Hearts Community Tree–Planting Day

① Green Hearts Community is pleased to invite all residents and middle–school volunteers to join our yearly **Community Tree–Planting Day**. Together, we can add more color to our streets and bring cleaner air to our homes.

② Please read the following information carefully before signing up.

Item	Details
Date & Time	Saturday, March 14, 8:30 a.m. — 11:30 a.m.
Place	West Hill Park (North Gate)
For whom	Community residents & students aged 12—18
Bring	Gloves, a hat, a water bottle, and a lunch box
Tools offered	Shovels, small trees, watering cans (all free)
Max. volunteers	120 people (first come, first served)

③ On that day, each volunteer will plant **2 to 3 small trees** with the help of our park workers. You will also learn the correct way to dig holes, set a young tree, and water it so that it has the best chance to grow well. Short breaks with fruit and warm tea will be offered at 10:00 a.m.

④ Students who finish the activity will receive a **three–hour community service certificate**, which is useful for their school records. Families that take part together will get a small gift — a pack of flower seeds for the balcony. All trees will be marked with the names of the volunteers, and you can come back in autumn to see how big "your" tree has grown.

⑤ To sign up, please scan the QR code on the community notice board, or send your name, age and phone number to green.hearts@mail.com before **March 10**. If the weather is bad on March 14, the event will move to the following Saturday. We look forward to seeing your green footprints in our park!
