阅读理解（应用文） Tree-Planting Day — Volunteer Call

① Dear Grade 7 — 9 students, spring is coming and so is our **"Green Campus, Green Future"** tree-planting programme. The **Greenhill Environmental Club** together with the **City Forestry Station** warmly invites you to join us on our yearly tree-planting day. Let us turn one bare hill slope into a small forest that will grow with you.

② **Event Information**

Item	Details
Date	**Sunday, 12 March 2027** (Planting Day)
Time	8:00 — 12:30
Meeting place	Main gate of **Willow Lake Park**
Planting site	**East Slope of Mount Willow** (15 min by bus)
Volunteers needed	**120 students**, 60 parents

③ **What you will do**

1. **Morning briefing (8:00 — 8:30):** Forestry officer Mr. Huang will teach us the correct way to dig a hole, hold a sapling, and water it.
2. **Planting (8:30 — 11:00):** Work in small groups of 4. Each group will plant and label **three young cherry or pine trees**.
3. **Name card (11:00 — 11:30):** Write your group name on a wooden card. In June, you can come back to see how your trees have grown.
4. **Clean-up & picnic (11:30 — 12:30):** Collect rubbish along the path. Enjoy a simple bread and juice snack before going home.

④ **What to bring**

- Old clothes and shoes (you will get muddy!)
- **Gloves** and a small towel
- Reusable water bottle
- Sunhat and **sunscreen**
- Your student ID card

⑤ **What NOT to bring**

- Glass bottles
- Any toy lighter or fire-starter

- Drone or loud speaker

⑥ **How to register**

- Step 1: Scan the QR code at the notice board outside the school library.
- Step 2: Fill in the online form **before 5 March**. Late forms cannot be accepted.
- Step 3: Each volunteer will receive a **green cotton cap** on the event day.
- Certificates will be sent to the class teacher one week after the event.
