阅读理解（应用文） Spring Pen-pal Programme: "East Meets West"

Jade Dragon Middle School × Green Hill School (New Zealand)
A quiet, slow friendship — one letter at a time.

---

1. Programme Idea

Our English Department is pairing **60 Chinese students** (Grade 7—9) with **60 students** of the same age at Green Hill School, Wellington, New Zealand. Over three months, each pair will **exchange three letters** to learn about each other's daily life, school, hobbies, and cities. All letters will be written in English.

---

2. Main Dates

Letter	Theme	Deadline
Letter 1	"My school day and my hometown"	30 April
Letter 2	"A small story about my family or a friend"	31 May
Letter 3	"A traditional festival and one thing I want to ask"	30 June

The Kiwi students will reply within three weeks after each letter.

---

3. Writing Rules

1. Each letter should be **200—350 words**, handwritten or typed.
2. Use **polite greetings** (e.g. "Dear Lily,") and **a short closing** (e.g. "Yours, Ming").
3. You may **include one photo** (A6 size) with each letter: your classroom, pet, or favourite snack.
4. No personal phone numbers, home addresses, or bank details.
5. Every letter will be **read by a teacher** for safety before it is sent.

---

4. What You Can Get

- A real international friend who writes back in real pen and ink
- A **Pen-pal Passport** — a small book to store your letters and stamps
- At the end of the programme, a short **"Friendship Gala"** with video calls
- An **"East Meets West" certificate** for your student file

---

5. How to Join

- Step 1: Ask your English teacher for the **Pen-pal Application Form**.
- Step 2: Write a **short self-introduction (about 100 words)** on the form: your hobbies, your favourite book, your favourite food, and one question you want to ask a Kiwi friend.
- Step 3: Hand the form to Teacher Green in **Office 205** before **Thursday, 15 April, 5:00 p.m.**
- Step 4: You will be paired with a Kiwi student in three days; we try to match hobbies and grades.

---

6. Kind Tips

- If your pen-pal writes slowly, please wait patiently. **Slow letters are often warm letters.**
- Try **not** to copy from translation apps word by word. Write what YOU really want to say.
- If a letter never arrives, tell Teacher Green. Backup copies are kept in the office.
- Please **do not sell or exchange** the letters online. They are private.
