阅读理解（应用文） Spring Astronomy Night Camp 2027

Skylight Middle School × Mount White Observatory
One night, one sky, a hundred thousand stars.

---

1. A One-Night Trip

Every year, we run a **one-night astronomy camp** on the quiet, dark side of **Mount White** — a great place to see the stars because of its low light pollution. This year, our theme is "**From the Moon to Mars**". Teachers, students, and astronomy lovers are warmly welcome.

---

2. Date & Venue

- **Date:** Saturday, 8 May — Sunday, 9 May 2027
- **Leaving school:** 2:30 p.m., Saturday (by tourist bus)
- **Returning to school:** 9:30 a.m., Sunday
- **Camp site:** Mount White Observatory, altitude 1,200 m

---

3. Open To

- Students of **Grade 7—9** in Skylight Middle School (max. **40 students**)
- Any astronomy-loving teacher or parent (max. **6 adults**)
- Students must be able to **walk 2 km on mountain paths** without difficulty.

---
