阅读理解（应用文） Campus Photo Contest — "Beauty in the Small"

Sunbird Middle School · Student Press Office
A tiny leaf, a classmate's smile, a cat in the back lane — every small thing is big enough for a photo.

1. Theme

This year our **annual student photo contest** has one special theme: "**Beauty in the Small**". We want students to look closely at the small, often-missed corners of life — a raindrop on a bike, a window with bright light, a teacher reading a book at noon. No fancy cameras, no far-away scenery is needed.

---

2. Who Can Join?

- Any student of **Grade 7 to Grade 9**, no experience needed.
- Students may enter **as an individual** OR in a small team of **up to 3 people**.
- Teachers are welcome to advise, but photos must be taken by students themselves.

---

3. Photo Rules

1. Each student or team may send up to **three photos**.
2. Photos taken by **mobile phones** are just as welcome as those from cameras.
3. Each photo must have a short English title **(no more than 10 words)** and a caption **(30—60 words)** explaining the small story behind it.
4. Do not **add filters** that change the colour too much. A little sharpening is fine.
5. No photos of people who have not given permission. Please ask politely before you take a picture.

---

4. Categories

Code	Category	Example
SM-01	Tiny Objects	A pencil tip, a dewdrop, a paper plane
SM-02	Quiet People	A student writing, a worker cleaning
SM-03	Small Corners	Staircases, back lanes, bike racks

SM-04 Free Theme　Anything small that moves you

---
