Dear student volunteers,

Thank you for signing up for the **Spring Marathon 2027** volunteer team. Your help makes the race warmer and safer for more than 8,000 runners. This guide tells you where to go, what to do, and how to stay safe on the day.

## What You Must Do and Must NOT Do

**Must do:**

- Arrive **on time**. Late arrival means losing your place on the team.
- Keep your volunteer vest on during your whole shift.
- Follow the orders of the **Station Captain** (a staff with a yellow armband).
- Keep the water and food areas **clean**; put cups in the yellow bag.

**Must NOT do:**

- Do NOT run on the race route with the runners.
- Do NOT take professional photos or selfies with runners during their running; photos at the finish area are allowed.
- Do NOT give any drug or medical treatment yourself — call a first-aid helper instead.
- Do NOT talk loudly into mobile phones near the race route.

## Safety Rules

1. If a runner falls or looks ill, **call the red-cross team** on channel 6 of the walkie-talkie, then stay with the runner until help arrives.
2. Drink water yourself every 30 minutes, and sit in the shade during your break.
3. Report any damaged barrier or lost child to the Station Captain at once.
4. If the weather changes suddenly (heavy rain, strong wind), wait for the Captain's signal before you move.

## Reward for Volunteers

- Each student volunteer will receive a **Certificate of Volunteer Service**, a **sports towel**, and **30 community service hours**.
- The "Best Student Volunteer" (chosen by Station Captains) will win a free one-day ticket to the City Science Museum.

For any question, please email marathon.volunteer@citysport.cn or call **020-8899-1100** (Mon–Fri, 09:00–17:00).
