"THROUGH MY EYES" · STUDENT PHOTOGRAPHY CONTEST 2027 *Organized by Sunshine Middle School Art Club & City Museum of Photography*

Theme of the year "A Quiet Corner of My City"

We invite students to find one small, usually-overlooked place in their city — a tree by the back wall, an old bus seat, the sky above a factory roof, a pair of shoes at the door — and to tell its story in a single photograph.

Who can enter?

- All middle school students (Grade 7 – Grade 9) in our city.
- **One** student may send **up to 2** different photos.
- Group photos may be submitted by 2 students **together**, but each student may join only one group.
