阅读理解（应用文） Happy Neighbours — Senior Home Visit Programme (Volunteer Sign-Up)

HAPPY NEIGHBOURS · SENIOR HOME VISIT PROGRAMME *Bringing a cup of tea and a young smile to the elderly in our community.*

What is it? Every weekend, small teams of middle school volunteers visit the homes of elderly neighbours who live alone. A typical visit lasts **50–60 minutes**. During the visit, volunteers will:

- chat with grandparents about the week;
- read a short newspaper article or a poem aloud;
- help with one **simple task**, such as watering plants, tidying a table or checking a smartphone problem.

Please note: volunteers do NOT cook, take medicine out, or move heavy furniture. Health and safety come first.

Who can join?

Group	Age / Grade
Junior volunteers	**Grade 7 – Grade 9**
Family pairs	One student + **one parent** (recommended for first-time volunteers)

You must have a valid student ID card and parents' written permission.

Schedule — June to August 2027

- **Saturday visits**: 10:00 – 11:00
- **Sunday visits**: 15:00 – 16:00
- Each volunteer is asked to join **at least 2 visits per month**, so that we become familiar faces to our senior friends.

How to sign up

1. Fill in the **online form** at *happyneighbours.cn/2027* before **Thursday 4 June**.
2. Attend a **short training session** (only 90 minutes) on **Friday 5 June, 18:30**, City Youth Centre, Hall 2.

3. After the training, you will receive a team and your first visit date by text message.

What to bring to a visit

- Your yellow volunteer badge (we give it to you after training).
- A clean, quiet voice — remember that many grandparents hear less well.
- One small, **homemade** gift if you like: a drawing, a paper flower, or a short handwritten note. **Please do NOT bring expensive gifts.**

Important rules

1. Always visit **in pairs**. Never enter a senior neighbour's home alone.
2. Stay in the living room; do not walk into bedrooms or kitchens without being invited.
3. If an elderly person shows any sign of illness (sudden pain, strong tiredness, or trouble breathing), call **120** and inform the programme leader right away.
4. After each visit, send a short report (50 words is enough) in the volunteer group chat within the same evening.

Contact

- Programme leader: **Ms. Zhao Yi**, 138-xxxx-5630
- Office: **Room 214, City Youth Centre**, open Mon.—Fri., 09:00 — 18:00.

Small visits, warm lives. We hope to see you soon.
