Important new rules for summer

1. **No running with trays.** The floor near the door is wet-cleaned every hour; please walk calmly.
2. **No mobile phones at the dining table.** Videos at lunch slow down the dining line and often cause spills.
3. **Please take only the amount you can eat.** If you are not sure, ask the staff in a red apron.
4. Leftover rice and clean vegetables may be wrapped and taken to the feeding point for small neighbourhood cats.

Allergy & health reminders

- Dishes with peanut, egg or seafood are marked with red stickers on the menu board.
- If you feel sick after any meal (stomach pain, dizziness, rash), go straight to the **School Medical Room, 1F South**. Then please inform the canteen manager, **Mr. Song Yu**.

Student feedback

Every Friday, a green "Menu Opinion Box" will be placed near the exit. Please feel free to write your suggestions on a small paper slip. The most loved dish of the week will be kept on the menu the following week.
