SUNNY HARBOUR NEIGHBOURHOOD COMMITTEE *Old items, new homes.*

Community Flea Market Notice

After two years, our small flea market is back! Neighbours of all ages are welcome to come and exchange the things they no longer need. It is a simple way to tidy your home, save money and meet neighbours.

Basic information

- **Date:** Saturday 17 July 2027.
- **Time:** 09:30 — 16:30 (rain or shine; in heavy rain, we move to the underground garage).
- **Place:** grassy square in front of Block B, Sunny Harbour Community.
- **Entrance:** free; no ticket needed.

Who can set up a stall?

- Any family that lives in our community, one stall per family.
- At least one seller at the stall must be an adult (18+).
- Children and teenagers are very welcome to sit at the stall **with** their parents, and to run the small transactions themselves (this is part of the fun).

How to sign up for a stall

1. Ask the security office at Block A for a red form, or download it from the community WeChat group.
2. Fill in your name, flat number, and a short list of the items you plan to sell.
3. Return the form before **Sunday 11 July, 18:00**. Stalls are given first-come, first-served; only 40 stalls in total.
4. On the morning of 17 July, come to the east corner at **08:30** to pick up your stall number and table.

What can be sold

- Clean second-hand clothes, shoes, bags, hats.
- Old books, toys, study tools, board games.

- Small electronics (only in working order; we have one volunteer to test before 10:00).
- Home-made non-hot food (biscuits, bread, jam) in sealed packs.

What CAN NOT be sold

- Fresh meat, fish or hot cooked dishes (safety reasons).
- Medicine, sharp tools bigger than 15 cm, fireworks, live animals.
- Luxury items or anything valued over **500 yuan**. Our market is for simple daily items only.

Prices and payment

- All sellers are asked to put a clear paper price tag on every item.
- Small items should not be priced over 30 yuan.
- Payment can be cash or WeChat/Alipay QR code. Please do NOT take cards.
- Our committee will not handle disputes about price. Sellers and buyers talk politely and decide together.

Green rules

- Bring a cloth bag for your purchases. The committee does not provide plastic bags.
- Each stall must take away all unsold items and rubbish by 17:00.
- Sellers who leave rubbish on the grass will not be allowed to set up again next year.

Special corner

- The "**Book-for-Book**" corner (near the flower bed): bring one used book, take one. No money involved. Comics are very welcome.
