06-29 第1篇

阅读理解（应用文） "Stars Above Campus" — School Astronomy Night

GREENWOOD MIDDLE SCHOOL · SCIENCE CLUB *Look up. Dream big.*

Event Poster — Summer 2027

The Science Club of Greenwood Middle School is proud to present our yearly **Astronomy Night: "Stars Above Campus"**. For one evening, the football field will be turned into a small observatory, and every student is invited to come and enjoy the night sky with us.

Date & time

- **Friday, 23 July 2027, 19:30 – 22:00**
- Back-up rainy date: Saturday, 24 July 2027, same time
- If both nights are rainy, the event will be postponed to **August**, and the new date will be posted on the school website.

Where

- East Football Field (main stargazing area)
- Science Building, Room 305 (indoor talks and hot drinks)

Programme

Time	Place	Activity
19:30 – 19:45	East Football Field	Welcome, safety rules, flashlight check
19:45 – 20:15	Room 305	Short talk: *Stars, Planets, and Our Moon* (Mr. Lee)
20:15 – 21:30	East Football Field	Free stargazing with 3 telescopes, guided by student volunteers
21:30 – 22:00	Room 305	Hot chocolate, Q&A, closing words

What you will see

- **Jupiter** and several of its **moons**.
- The belt of **Orion** and the famous **Big Dipper**.
- A possible meteor shower after 21:00 (if the sky is clear).

What we provide

- 3 large telescopes.
- 30 pairs of small binoculars (first come, first served).
- Free hot chocolate and cookies in Room 305.
- A printed star map for each participant.

What to bring

- A warm jacket or a thin coat (the night is often 10°C colder than the day).
- A small red flashlight (NOT white — white light hurts your "night eyes").
- Your school ID card.
- A notebook and a pencil, if you want to draw what you see.

Rules for a good night

1. **Do not run on the field** — telescope legs and cables can be hard to see in the dark.
2. **Do not touch the telescope lens**. Fingerprints are very hard to clean.
3. **Keep your voice low**. Loud noise disturbs both the guides and the animals around the field.
4. **No phone cameras with flash**. The flash ruins everyone's night vision for 10 minutes.
5. Students who want to stay after 22:00 must be picked up by a parent at the main gate.

How to sign up

- Scan the green QR code on your classroom door.
- Sign up before **Monday, 19 July, 17:00**.
- Spaces are limited to **180 students**; priority will be given to students who have not joined last year.

Questions? Email: scienceclub@greenwood.edu · Room 305 (Mr. Lee, after 16:00) *Wear warm, bring friends, and don't forget to make a wish.*

根据材料内容，选择最佳答案。

1. If it rains on Friday 23 July AND Saturday 24 July, what will happen?

A. The event will be cancelled.
B. The event will move to August, with a new date posted on the school website.
C. The event will move indoors on Saturday.
D. The event will start at noon.

2. Where will Mr. Lee give his short talk?

A. On the East Football Field.
B. At the school gate.
C. In Room 305 of the Science Building.
D. In the library.

3. Which of the following is NOT allowed during the event?

A. Bringing a red flashlight.
B. Using a phone camera with flash.
C. Drawing the stars in a notebook.
D. Drinking hot chocolate in Room 305.

4. Why should students bring a warm jacket?

A. Because the night can be about 10°C colder than the day.
B. Because the football field has no lights.
C. Because they will sleep on the field.
D. Because telescopes give off cold air.

5. Who has priority when signing up?

A. Teachers of the school.
B. Students who joined last year.
C. Students who have never joined before.
D. Students from other schools.

答案与解析

1.
【答案】B
【题型】细节理解题
【定位】"If both nights are rainy, postponed to August..."
【解析】改到 8 月并在官网发布。A/C/D 均错。故选 B。

2.
【答案】C
【题型】细节理解题
【定位】节目表 19:45—20:15 "Room 305"
【解析】李老师在 305 室讲座。A/B/D 均错。故选 C。

3.
【答案】B
【题型】细节理解题（反向）
【定位】规则 4 "No phone cameras with flash"
【解析】禁止开闪光。A/C/D 均允许。故选 B。

4.
【答案】A
【题型】细节理解题
【定位】"often 10°C colder than the day"
【解析】夜间更冷需保暖。B/C/D 均错。故选 A。

5.
【答案】C
【题型】细节理解题
【定位】"priority will be given to students who have not joined last year"
【解析】优先给未参加过的学生。A/B/D 均错。故选 C。

词汇注释（超纲词）

- **observatory** [n.] 天文台
- **binoculars** [n.] 双筒望远镜
- **Jupiter** [n.] 木星
- **meteor** [n.] 流星
- **disturb** [v.] 打扰
