CITY YOUTH SCIENCE CENTRE *Touch. Build. Discover.*

Summer Camp Brochure — July 2027

The City Youth Science Centre is happy to invite students in Grades 7 and 8 to our ten-day summer camp, **"Future Engineers"**. This camp is not a classroom. It is a hands-on journey where you will build, break, test, and rebuild your ideas.

Dates, location and fee

- **Dates:** 12 July – 21 July 2027 (Monday to Thursday, every week)
- **Hours:** 09:00 – 16:00 each day
- **Place:** City Youth Science Centre, No. 88 Park Road (near Metro Line 3, Exit C)
- **Fee:** ¥380 per person for the whole camp (lunch and materials included)
- **Discount:** Students who live with a grandparent aged 70 or over — ¥280.

Daily schedule (sample)

Time	Activity
09:00 – 09:30	Morning meeting, warm-up puzzle
09:30 – 11:30	Workshop 1: building (robots, bridges, wind-mills, water pumps...)
11:30 – 12:30	Lunch in the centre's cafeteria
12:30 – 13:00	Short reading circle (easy science stories)
13:00 – 15:30	Workshop 2: testing and improving
15:30 – 16:00	Closing talk, tidy-up, sign-out

What you will do (by day)

- **Day 1–2:** Build a balloon-powered car; measure its distance and improve the design.
- **Day 3–4:** Make a simple water-**filter** from sand, stones and cotton; test it on muddy water.
- **Day 5–6:** Program a small robot to follow a black line on the floor.
- **Day 7–8:** Design a bridge from sticks and rubber bands that can carry 2 kg of books.
- **Day 9:** Team challenge — a surprise task kept secret until the morning.

- **Day 10:** Mini-exhibition — parents visit and students explain their best work.

What the centre provides

- All tools and materials: sticks, sand, batteries, small motors, wires, and more.
- Two safety engineers in every workshop.
- Cold water and fruit during breaks.
- A blue "Future Engineers" T-shirt (kept as a gift).

What you should bring

- A pen and a plain notebook for design drawings.
- A hat and sunscreen (some testing is done outdoors).
- Comfortable closed shoes — no sandals, no slippers.
- A reusable water bottle.

Important rules

1. Students under 13 must be signed in and out by a parent each day.
2. No phones, tablets or smart watches inside the workshops; they can be placed in a locker at the entrance.
3. Do not take motors, batteries, or cutters home; return all tools to the box before leaving.
4. Students who miss more than **three days** without a reason cannot receive the final certificate.
5. No running inside the centre; no food inside the workshops.

How to sign up

- Online: visit *www.youthsci.cn/engineers*
- In person: room 204, City Youth Science Centre, Monday to Friday, 14:00 – 17:00
- **Deadline:** Wednesday, 7 July 2027, 17:00
- Only **48** spaces are available — first come, first served!
