Rules for a great visit

1. **Do not knock on the glass.** Loud noise frightens the fish and causes real harm over time.
2. **No flash photos**, even with a phone. Animals may become disoriented.
3. **Food and drink** only in the Ocean Cafe on the first floor. Water in a closed bottle is fine.
4. In Hall D, children may touch the starfish in the shallow pool **with one clean finger**. No grabbing.
5. **Do not feed the animals**. Wrong food makes them sick.
6. Keep small children within arm's reach at all times. Strollers allowed except in Hall E.

Tips from our staff

- Weekend afternoons are crowded; the quietest time is Tuesday to Thursday before 11:00.
- If you love penguins, come on Saturday — the penguin cake is sold at the cafe.
- Bring a light jacket for Hall C — it is kept at about 10 °C to match penguin weather.
- Combine your visit with the nearby City Harbour Park for a full day out; just 10 minutes' walk.
