阅读理解（应用文） "Summer of Skills" — Free Workshops for Grade 7–9 Students

City Youth Centre · July 20 – August 10, 2027

Dear Grade 7–9 students,

The summer holiday is the best time to try something new. This year, **City Youth Centre** and **Greenline Library** are working together to offer **"Summer of Skills"**, a free programme of short workshops for middle-school students. Every workshop lasts **two hours** and is taught by a local expert. Choose any workshop you like — no fee, no test, just come and learn.

Workshop Menu

1) Kitchen Basics — "Cook One Real Meal"
When: Every Tuesday, 10:00–12:00
Where: Youth Centre · Room 201 (open kitchen)
What: You will learn to wash rice, use a gas stove safely, cook three simple dishes (tomato-egg, steamed greens, noodle soup), and clean up the kitchen. At the end of the class, you will eat what you cooked — together.
Bring: an apron, a small lunch box (take the leftovers home).
Limit: 14 students per class.

2) Library Detective — "Find Any Book in 3 Minutes"
When: Every Wednesday, 14:00–16:00
Where: Greenline Library · 3F Reading Hall
What: Librarians will show you how the book numbers work, how to use the search computers, and how to borrow books from other branches. We will end with a small game: teams race to find ten books as fast as they can.
Bring: your library card (or we will help you make a new one — free).
Limit: 20 students per class.

3) First Aid for Teens — "Be the Calm One"
When: Every Thursday, 9:30–11:30
Where: Youth Centre · Room 305
What: A Red Cross trainer will teach you how to stop a nosebleed, what to do if a friend faints, how to make a safe emergency call, and the basic CPR steps on a practice doll. You will get a small certificate at the end.

Bring: a water bottle; wear comfortable clothes.
Limit: 16 students per class.

4) Phone-Camera Photography — "See Your City Again"
When: Every Friday, 15:00—17:00
Where: meet outside the Youth Centre gate (we walk to Old Town Street)
What: A local photographer will teach you light, angle, and the "rule of thirds". You will walk, take photos, and come back to choose your best three for the centre's wall.
Bring: a phone (any kind is fine), a cap for the sun.
Limit: 12 students per class.

5) Weekend Volunteering — "Read to Little Ones"
When: Every Saturday, 10:00—11:00
Where: Greenline Library · Children's Corner
What: You will read picture books aloud to children aged 4—7. Each volunteer reads one or two books and answers simple questions. It is a chance to practise speaking clearly and to help younger kids love reading. Volunteer hours will be recorded on your school **volunteer card**.
Bring: a quiet voice; we provide the books.
Limit: 8 volunteers per session.
