How the Day Works

1. Enter through the west gate. Pick up a free **"Club Passport"** with a map.
2. Visit any booth. Members will show their work, answer your questions, and let you try a short sample activity.
3. If you like a club, get your passport stamped by the club leader.
4. **By Monday, September 8, 23:59**, submit your passport online at www.lihua-ms.edu.cn/clubs, choosing up to **two** clubs. If a club is full, you will be moved to the waiting list.

House Rules

- Running in indoor halls is **not allowed**.
- Please bring your own water bottle; a refill station is near the playground gate.
- No food or drinks inside the main hall except plain water.
- Parents are welcome but please stay in the visitor area near the booth.

Notes for Grade 9 Students

Because of the higher study pressure, Grade 9 students may choose **only one** club, and meetings must not go beyond 17:30 on weekdays. Clubs marked with the symbol "★"

(Chess, Young Reporters, Maths Puzzle, Green Campus) are specially recommended for Grade 9, as they are low-hour and close to study interests.
