阅读理解（应用文） Family Sports Day — "Move Together 2027"

Riverside Stadium · Sunday, September 28, 2027

Hello families!

The City Health Bureau and the Parent-Teacher Union invite every family with a middle-school student to our **Family Sports Day 2027**. One cool autumn Sunday. One big stadium. Lots of easy, silly, happy games designed for **parents and children to play together**. No medals. No winners and losers. Just warm hearts, tired legs, and a full afternoon of laughter.

The Day at a Glance

- **Date:** Sunday, September 28, 2027
- **Time:** 13:30 — 17:30
- **Place:** Riverside Stadium, West Entrance, 6 Riverside Road
- **Who can join: one middle-school student + one or two family members** (parent, grandparent, uncle, aunt, older brother or sister). At least one adult must be with the student.
- **Cost:** free
- **Numbers:** 500 families, first come first serve

Activities (choose any 4 out of 6)

① Three-Legged Walk (50 m)
One student + one adult, two inner legs tied together with a soft cloth. Walk (not run!) to the finish line.

② Family Rope Skip (2 min)
The adult turns a long rope, the student jumps in, then out, then in again. Counter counts each good jump; the family with the biggest smile wins. (Not the most jumps!)

③ Shared Shooting (basketball, 3 min)
Family takes turns shooting a soft sponge basketball into a low basket from 2 metres. Counts total successful shots.

④ Back-to-Back Ball Walk (30 m)
One student and one adult stand back-to-back with a soft volleyball between their shoulders. Walk sideways 30 m. If the ball drops, pick it up and keep going.

⑤ Memory Relay
Four short memory cards are hidden around the track. Family members find them in order. The student writes down the four words at the end. No phones or paper during the search!

⑥ Paper Aeroplane Challenge
Family works together (max. 10 minutes) to build one paper aeroplane from a piece of A4 paper. Then the student throws it. Longest straight flight wins the "Golden Wing" sticker — only for fun.

Schedule
