阅读理解（应用文） City Public Library — Summer Reading Challenge 2027

Read, Grow, Win Together

Dear young readers,

Every summer, the City Public Library runs the **Summer Reading Challenge** for middle-school students. It is a friendly, open programme that turns the long hot weeks into a beautiful reading season. The 2027 theme is **"Open a Book, Open a Door"**. All Grade 7–9 students with a city library card may join — **free of charge**.

- **Challenge Period: Monday July 5 – Sunday August 29, 2027**
- **Where:** Any city library branch (or read from home)
- **Goal:** Finish **at least 6 books** from the official list, and record them properly in your Reading Log.

How the Challenge Works

1. **Get a Reading Log** — from the info desk of any branch, or download from `citylib.cn/summer2027`.
2. **Read books from the 2027 list** — three suggested levels (see below).
3. **Record each book** — title, author, the date you finished it, and a **two-sentence review** in English or Chinese. Parent or teacher's signature is **not** required.
4. **Return the log** — bring or scan-and-email your finished log to your branch desk by **Sep 5, 23:59**.
5. **Ceremony & prizes** — **Saturday, Sep 12, 15:00**, Main Library, 3rd-floor hall.

Book Levels on the 2027 List

Level	Example Titles	Suggested Grade	Notes
A. Starter	*Small Town Stories*, *The Year of the Little Owl*	Grade 7	Short, daily-life stories

B. Medium	*The Boy and the Moon River*, *Letters from a Hospital*	Grade 8	A bit longer, gentle themes
C. Deeper	*Before the Mountain Woke Up*, *Notes from a Small Kitchen*	Grade 9	Longer, more feelings & ideas

You must read **at least one book** from **each** of the three levels. The other three may be from any level you like. Audio books also count if you can tell the staff the story in one minute.
