阅读理解（应用文） Lihua Neighbourhood — Community Tree-Planting Day 2027

A Green Morning, A Greener Street

Dear neighbours and young friends,

This year, our neighbourhood is joining the city-wide **"Trees for Tomorrow"** project. On **Saturday, March 14, 2027**, we will hold our own **Community Tree-Planting Day** at the South Side Park. Last year, 180 families planted 220 young trees along Riverside Walk. This year, we hope to welcome **even more middle-school students** — the trees we plant today are for the school gates of 2037.

- **Date:** Saturday, March 14, 2027
- **Time: 8:30 — 11:30** (please arrive before 8:20)
- **Where:** South Side Park, East Gate (next to Bus Stop "Lotus Road")
- **Organised by:** Lihua Neighbourhood Council + Green City Volunteers
