Three Days, Three Mountains, One New You

Dear Grade 8 students and parents,

From **Wednesday, April 21** to **Friday, April 23, 2027**, all Grade 8 students will take part in our school's yearly **Spring Outdoor Camp**. This is not a holiday trip — it is a short, carefully-planned school programme that links geography, team-building and basic outdoor skills.

- **Where:** Mount Qingyun Educational Base (about 90 minutes by bus from school)
- **Who:** All Grade 8 students + 28 teachers + 2 school nurses
- **Cost:** 480 yuan per student (includes bus, food, insurance, and two guide books)
- **Bus departure:** 7:30, School West Gate, Apr 21. Please arrive by 7:10.

Three-Day Programme

Day	Morning	Afternoon	Evening
Day 1 (Apr 21, Wed)	Bus to camp + check-in	Walk the 4-km Yellow Path; rock-and-plant notes	Class teacher meeting, early rest
Day 2 (Apr 22, Thu)	**Teamwork Station Course** (6 stations)	Mini river study (water test, map-drawing)	**Evening sky watch** (stars and planets)
Day 3 (Apr 23, Fri)	Clean-up task + group reflection	Closing ceremony, back to school by 16:30	(Home evening, no class)

> The **Teamwork Station Course** includes rope bridge, low wall, memory map, blind walk, bucket transport and trust fall practice. **All stations are safe and insured.**

What to Pack

Must-have:

- **Sports shoes** (well worn in), **two pairs of socks**.

- **Rain coat** or folded umbrella.
- **Water bottle** (at least 750 ml), **sun hat**, **sun cream**.
- Simple **wash bag**: toothbrush, towel, a small soap.

Health and Safety

1. Every student must hand in the **Health Declaration Form** to the class teacher **before April 14**. Students with fever, serious asthma, or a recent bone injury must talk with our school nurse before sign-up.
2. The camp has a small clinic and a doctor on duty **24 hours**.
3. **No student may leave the camp area alone**, for any reason, at any time.
4. Teachers will keep every student's phone during lessons and return them at night for a 30-minute call home.
5. If there is heavy rain on Day 2 morning, the rope bridge and river study will move to **indoor backup activities** (simple star map drawing + group board games).

Rules on the Bus and in the Rooms

- Seat belts on at all times during the bus ride.
- Every room holds **4 students** — no changing rooms without teacher permission.
