阅读理解（应用文） Lihua Middle School — "Welcome Back" Second-Hand Book Fair 2027

Lihua Middle School · Library Council "Welcome Back" Second-Hand Book Fair — 2027 Autumn Term Notice to Students, Parents and Teachers

---

1. Why a Second-Hand Book Fair?

Every new term, many families **buy more reading books** than they will ever need, while other families find that good books are **hard to afford**. At the same time, thousands of books sit unread in our school's cupboards. Our Library Council believes that every good book deserves **at least three owners**. The second-hand book fair is a simple way to move books from silent shelves back into busy hands.

2. When & Where

- **Date**: Saturday, **25 September 2027**
- **Time**: 09:00 — 16:00 (one day only)
- **Place**: School Inner Playground (south side) + Teaching Block A, 1st floor corridor
- **Set-up**: Friday, 24 September, 16:30 — 18:00 (sellers only)

If it rains, the fair will move fully to Teaching Block A. A short notice will be sent in the school app **by 07:30 on the day**.

3. Who Can Take Part?

- **Every student** of Lihua Middle School (Grades 7—9) may sell **up to 25 books**.
- **Parents and teachers** may join, but they should share a stall with their own child or class.
- **Outside visitors** are welcome **only as buyers**, with a short sign-in at the school gate.

4. What Kind of Books Are Welcome?

✔ Storybooks, novels, poems, classic literature.
✔ English readers, vocabulary books, graded readers.

✔ Popular science and "how-things-work" books.
✔ Clean, well-kept textbooks **from last year**, with no full answers written inside.

✘ Test-answer booklets and hot-sell answer keys.
✘ Books with broken covers, missing pages, or water damage.
✘ Magazines older than three years, unless they are special collections.

5. How to Set a Price

- Use a small **yellow price tag** (free at the library counter).
- Suggested price: **20 % — 40 %** of the original price; classic literature may be priced a bit higher.
- **Swap** is also allowed: mark your book "**Swap Only**" and choose one book of equal value in return.

6. The "Second Pocket" Rule

The fair encourages a quiet kindness. Any money you make on the day can be put into **two pockets** of your choice:

1. **Pocket A — Your Pocket**: You may keep **up to 70 %** of the money for yourself.
2. **Pocket B — The Mountain Classroom Pocket**: The rest (**at least 30 %**) will be collected by the Library Council and used to buy English readers for our **partner mountain school** in Yunnan.

No one is allowed to put 0 % into Pocket B. Kindness is not a choice; it is the price of joining the fair.

7. On the Day — What to Bring

- Your books, neatly tied with string (no more than 25).
- A small **cardboard sign** with your name, class, and table number.
- A **reusable bag** (no single-use plastic bags; the school will offer cloth bags at cost).
- A smiling face (free).

8. Sign-Up

- **Who**: any Grade 7—9 student who wants to sell.
- **When**: **1—20 September 2027**, on the school portal → "Events" → "Book Fair".
- **What you get after sign-up**: a table number + a reminder on the day before.

9. Contact

- **Mr Li Tianyu**, Library Council Teacher, Library 2F, Room 203.

- WeChat school account: "Lihua Library Corner".
- For lost-and-found on the day: front desk, Playground Entrance B.
