- A **light backpack** (under 3 kg).

- A **small lunchbox** (no glass bottles).
- A light jacket for wind; a **small rain-coat** (weather may be cool).

---

3. Cost

- The trip is **free for all school-bus users**; parents pay **¥45 per student** to cover park entry + insurance.
- Please transfer the ¥45 to the **class accountant** by **Friday 10th October**; late payment means your seat may be given to a student on the waiting list.

---

4. Safety Rules

1. Students must **walk in class groups** behind their head teacher. Leaving the main path is forbidden.
2. If you feel unwell, tell the **class teacher immediately**; Nurse Zhao will be on the red mini-bus at the rest point.
3. **No swimming** in the small lake half-way up the mountain — it is colder than it looks.
4. Do **not pick leaves or flowers** from any tree; fallen leaves on the ground may be collected (up to 3 per student).
5. Take all rubbish back in your own bag. **Leave no trace**.

---

5. Weather Plan

The trip will go ahead in light rain; in case of **heavy rain, strong wind or thunderstorm**, the trip will be **moved to Saturday 25th October** at the same time and the same meeting point. An SMS will be sent to parents by **Friday 17 Oct, 21:00**.

---

6. Photos and Reports

Each class may choose **two student photographers** (with a school-approved camera) to take pictures for the class report. The best group photo and the best 200-word English report will be printed in the November issue of *Morning Breeze*. Please email photos and report drafts to outdoor@lihuams.edu.cn before **Wednesday 22 October**.

---

7. Contact
