阅读理解（应用文） Riverside City Science Museum — October "Little Engineer" Weekend Workshops

---

RIVERSIDE CITY SCIENCE MUSEUM
"Little Engineer" Weekend Workshops — October 2027
For students in Grade 6 – Grade 9

Do you enjoy taking things apart and putting them back together? This October, our museum opens **four hands-on weekend workshops**. Each workshop lasts **2 hours**, and you will go home with your own working model!

🔧 Workshop Timetable

Date	Title	Time	Room
Sat, Oct 10	**Paper Bridges That Hold a Bottle of Water**	9:30 – 11:30	Maker Lab A
Sun, Oct 11	**Build a Mini Wind-Turbine (with a real LED light)**	14:00 – 16:00	Maker Lab A
Sat, Oct 17	**A Hand Warmer You Can Use Tonight** (safe chemistry)	9:30 – 11:30	Chemistry Lab
Sun, Oct 25	**Your First Line-Following Robot** (coding + soldering-free kit)	14:00 – 16:30	Robotics Lab

🔎 *Please arrive 10 minutes before start time. Late students may not be able to keep up with the safety briefing.*

💰 Fees & Places

- Each workshop: **60 yuan / student, materials included**.
- Robot workshop (Oct 25): **95 yuan**, because the kit is more expensive.
- **Places are limited**: Maker Lab A – 24 seats; Chemistry Lab – 18 seats; Robotics Lab – 16 seats.

- **Family discount:** if an older brother or sister signs up together with a younger one, the second student pays **half price**.

📝 How to Book

1. Open the museum's WeChat mini-app **"Riverside Science"**, tap the **"Weekend Workshops"** banner.
2. Choose the date, write the student's name, grade and parent's phone number.
3. Booking opens **Monday 6 October, 10:00** and closes **three days before each workshop**.
4. Full refund is possible up to **48 hours** before the class; after that, the fee can only be **moved to another date**, not returned.

👷 What to Bring

- A bottle of water and a small towel.
- For the hand-warmer class: long sleeves and closed shoes (no sandals).
- For the robot class: a notebook — you will write down your own code changes.
- **No extra tools needed.** All hammers, scissors, hot-glue guns and batteries are provided by the museum and used under teacher supervision.

❗ Safety First

- Every workshop has **one main teacher + two student helpers** from a local university.
- Parents of Grade 6 students may stay and watch from the **family seats** at the back.
- If you feel unwell during a workshop, raise your hand — a first-aid nurse is on duty on the 1st floor every weekend.

Contact: Education Office, **010-5577-2027** (Mon – Fri, 9:00 – 17:00).

Come curious. Leave with something you built yourself.

根据通知内容，选择最佳答案。

1. How many "Little Engineer" weekend workshops are offered in October 2027?

A. Two
B. Three
C. Four
D. Five

2. Which workshop costs more than 60 yuan?

A. Paper Bridges That Hold a Bottle of Water
B. Build a Mini Wind-Turbine
C. A Hand Warmer You Can Use Tonight
D. Your First Line-Following Robot

3. A student wants to attend the class on Saturday, October 17. What is the latest time they can still book it?

A. Any time before Saturday, October 17, 9:30.
B. Three days before the workshop, that is by **Wednesday, October 14**.
C. Only on October 6.
D. Only at the door on the day of the class.

4. If a student has booked the paper-bridge workshop but cannot go, what is true?

A. They will always lose all their money.
B. They can get a full refund if they cancel more than 48 hours before the class; otherwise the fee can only be moved to another workshop.
C. They can transfer the seat to any friend without telling the museum.
D. They can get a refund any time during the workshop.

5. Which of the following is NOT required of students attending a workshop?

A. Arriving 10 minutes before start time.
B. Bringing a bottle of water and a small towel.
C. Bringing their own hammer and hot-glue gun.
D. Raising a hand if they feel unwell.

答案与解析

1.
【答案】C
【题型】细节理解题

【定位】Timetable 表格共列出 4 个日期（Oct 10 / 11 / 17 / 25）
【解析】表格明确有四个活动。A、B 少算、D 多算。故选 C。

2.
【答案】D
【题型】细节理解题
【定位】Fees & Places "Robot workshop (Oct 25): 95 yuan"
【解析】机器人课 95 元，其余均 60 元。A、B、C 均为 60 元。故选 D。

3.
【答案】B
【题型】推理判断题
【定位】How to Book 第 3 条 "closes three days before each workshop"
【解析】10 月 17 日前 3 天即 10 月 14 日截止报名。A 过晚、C 仅开放日、D 门口报名均错。故选 B。

4.
【答案】B
【题型】细节理解题
【定位】How to Book 第 4 条 "Full refund is possible up to 48 hours before ... after that, the fee can only be moved to another date"
【解析】48 小时外可退款，之后只能改期。A 绝对化、C "转让朋友"无依据、D "任何时间退款"均错。故选 B。

5.
【答案】C
【题型】细节理解题
【定位】What to Bring "No extra tools needed. All hammers, scissors, hot-glue guns ... provided by the museum"
【解析】工具由博物馆提供，学生无需自带。A、B、D 都是合理要求。故选 C。
